- **The study and promotion of the highest level of training of the medical specialists, medical practice and health care within the European Union.**
- **The study and promotion of free movement of specialist doctors within the European Union.**

Structure

National Medical Associations

Sections and Boards

EACCME

ECAMSQ

National Medical Associations

- 28 EU Full Members
- 3 EEA Full Members
- 4 Associate Members
- 4 Observer Members

National Medical Associations

Meet in the Council of UEMS

Parliament of the UEMS

Can adopt or endorse documents presented by other organs of the UEMS to be distributed on to the National Medical Associations

Medical Specialists Representation

National Level

GBS-Rad – VBS-Rad

VBS - GBS

European Level

UEMS Section of Radiology

Delegation of the GBS - VBS in UEMS Council

Structure

Council

National Medical Associations

Executive Committee

President

Treasurer

Liaison Officer

Secretary General

4 Vice – Presidents

New 3 Groupings Chairpersons

Sections and Boards

Are a fundamental and specific structure

Are the backbone of the UEMS

Propose minimal training schemes for specialisation

Facilitate the harmonisation of training

About 2000 specialists active in the work in Europe

Sections and Boards

43 Sections

Divisions

14 Multidisciplinary Joint Committees

4 Thematic Federation

Section of Radiology

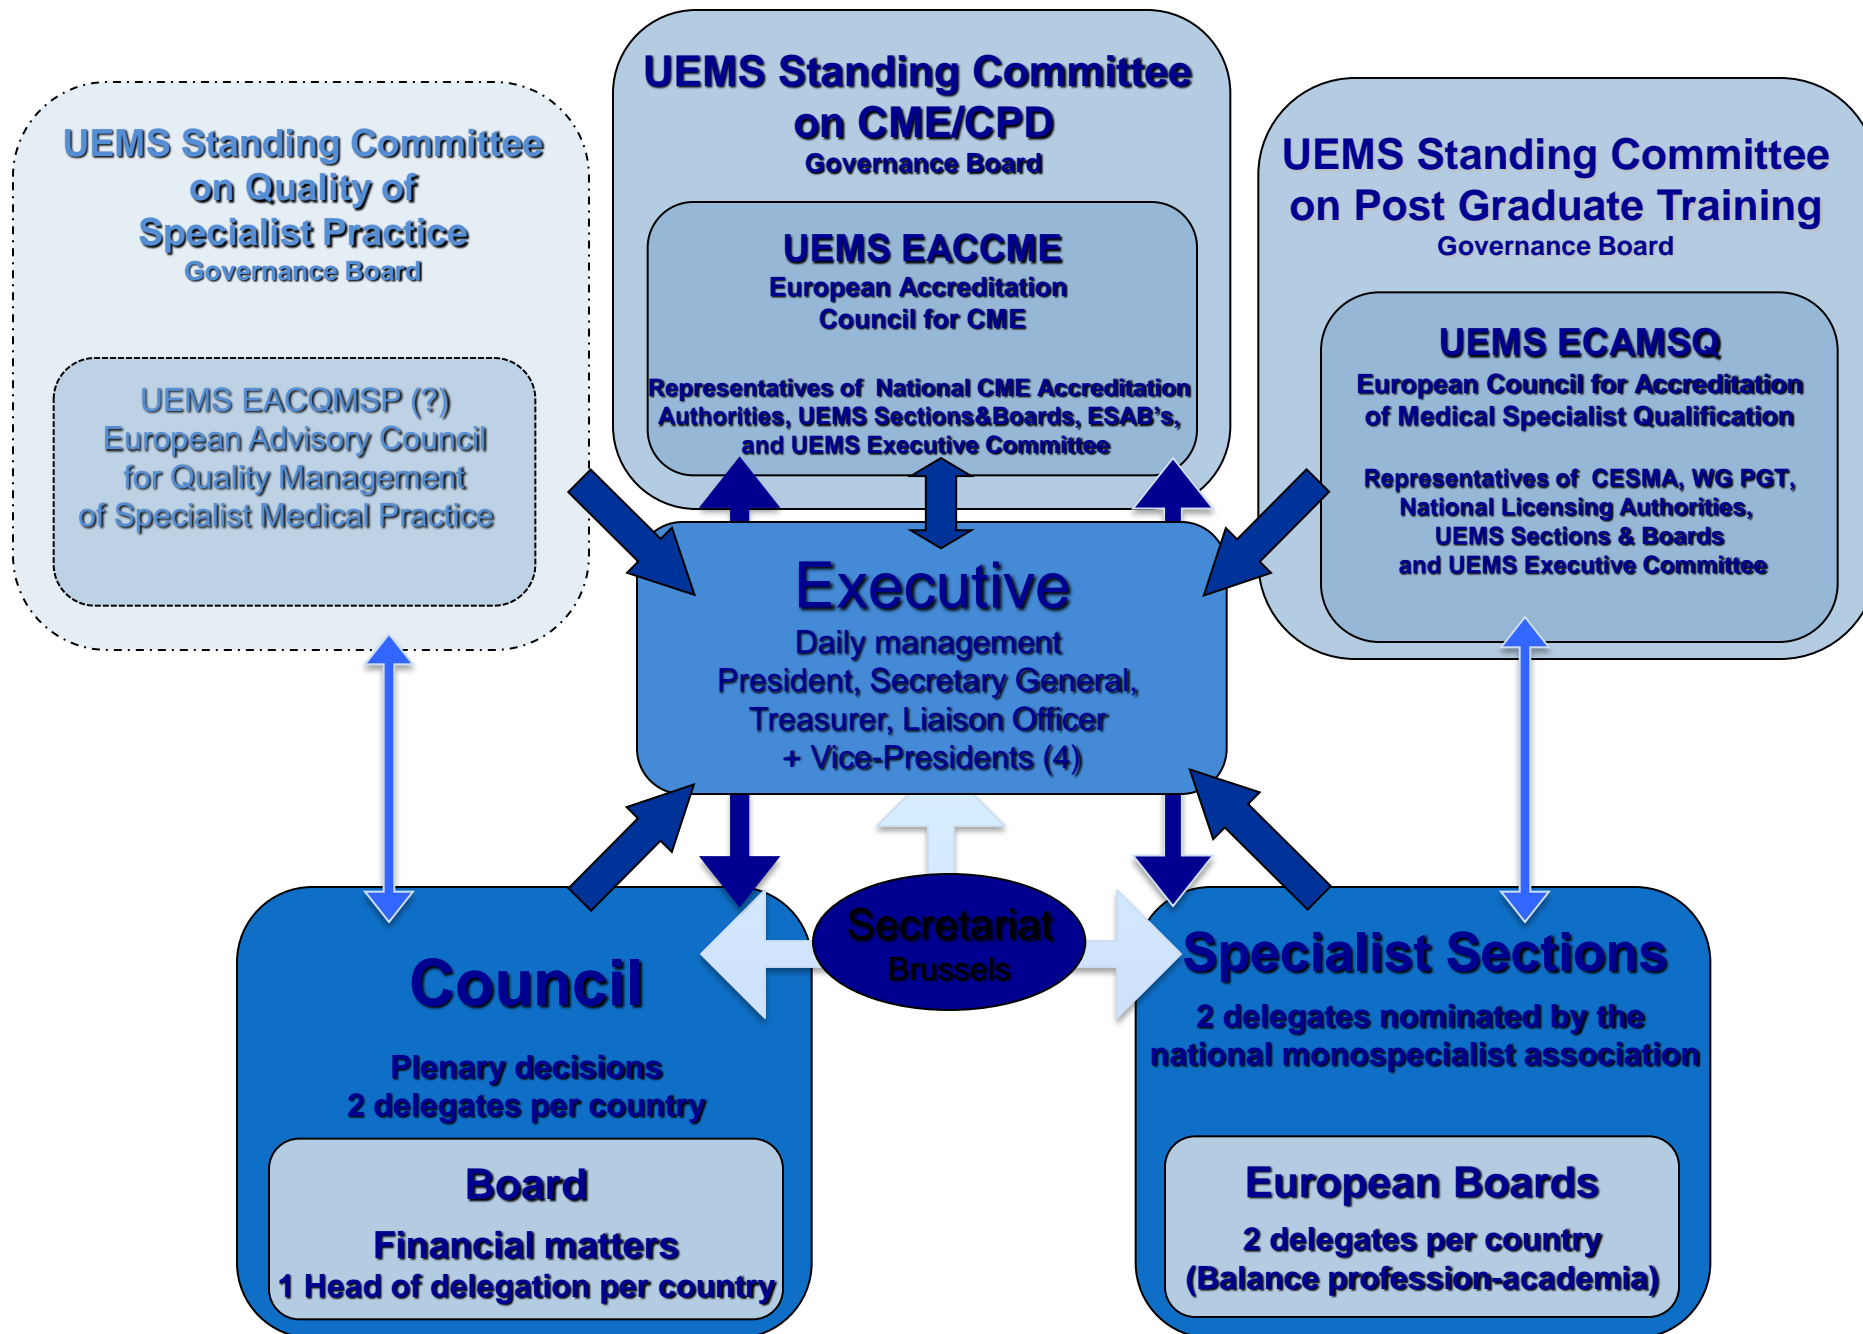

Division of Neuroradiology

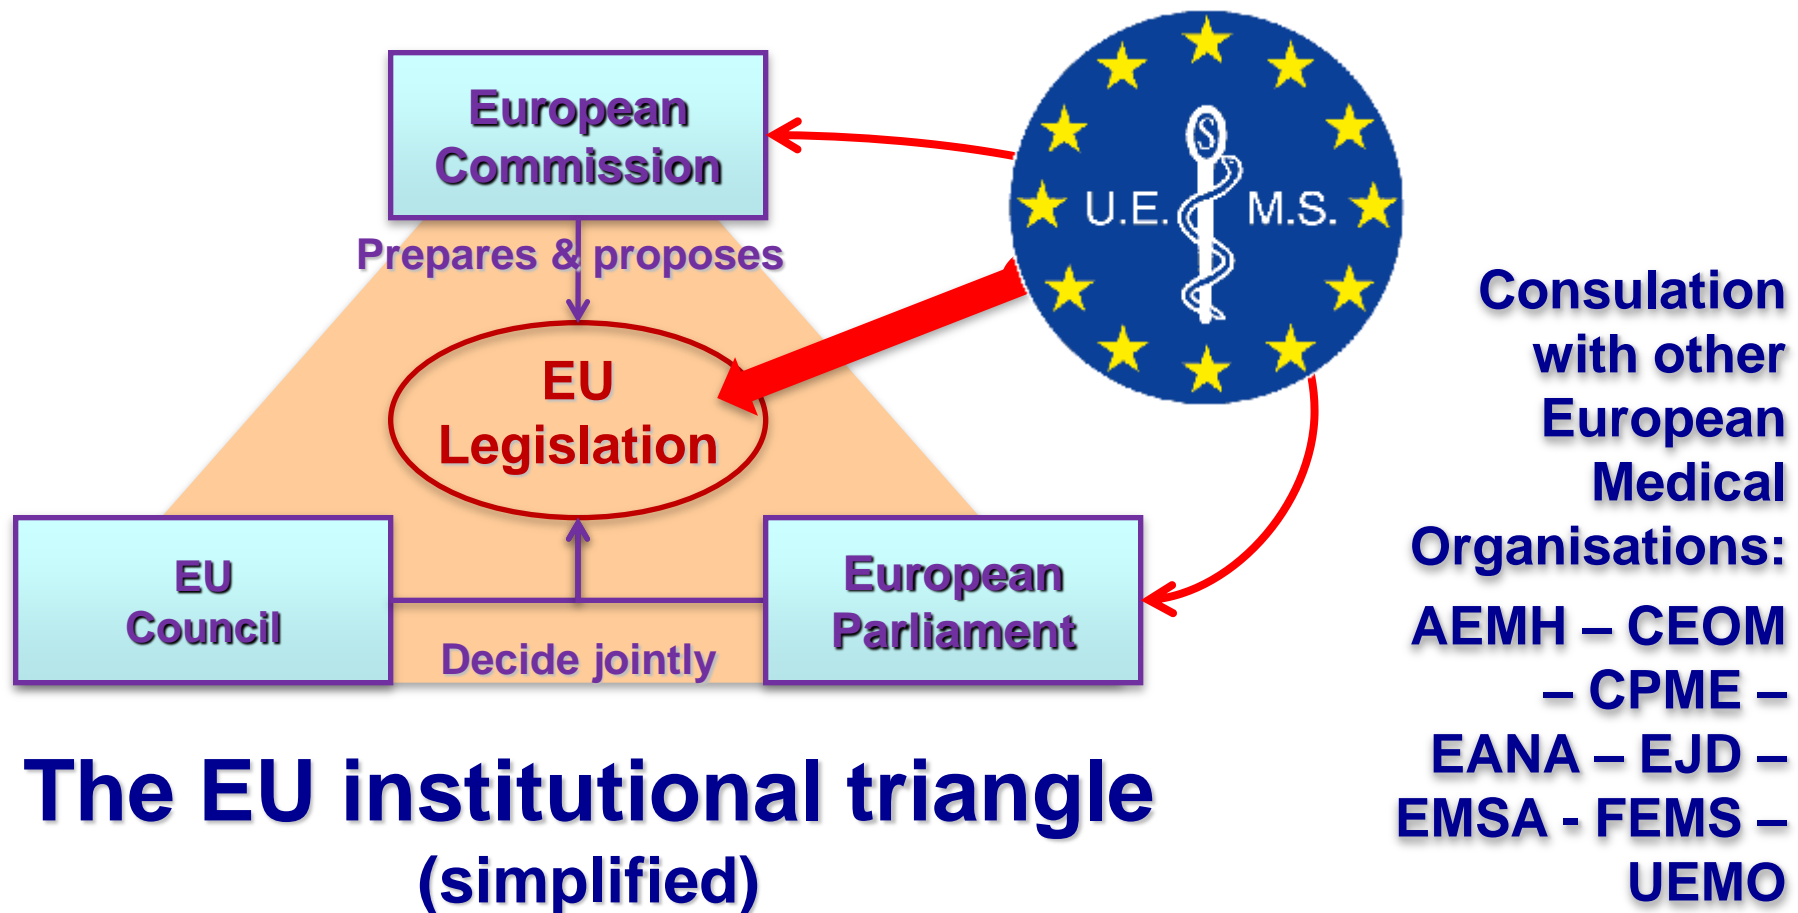

Tasks of Sections and Boards / MJC's

- Determine Core Curriculum for training
- Propose a log-book
- Helps in the harmonization of training and qualification
- Helps in the harmonization of health care services with visitation
- Key role in the evaluation of CME activities

UEMS political involvement in EU Affairs

The EU institutional triangle (simplified)

European Legislation

3 levels :

Regulation

Highest is immediately valid in national legislation of the Member States

Directive

Has to be transposed into the national legislation of the Member States

Recommendation

Lowest level

EU Directive on the Recognition of Professional Qualifications

Dir 2013/099 EC

Revision of Dir 2005/035 EC 2006/100 EC

Provision how and when automatic recognition of the specialty is guaranteed

Annex V has a list of the specialties that enjoy automatic recognition

Until now only length of training as criterium

Outcomes of the last UEMS Council meetings

Marrakech April 2018

Dr. Bernard Maillet
UEMS Treasurer

Board Meeting

- Friday April 27th 2018
- Adoption of the Financial Situation for 2017
- Adoption of the Amount for the Management fee for the UEMS bodies

Working Groups

Friday April 27th 2018

- e-Health - Digitalization
- CME – CPD
- Post Graduate Training
- Quality of Patient Care and Specialist Practice in Current Health Care systems

Outcomes of the last UEMS Council meetings

Brussels April 2015

*Dr. Bernard Maillet
Head of Delegation for Belgium
Former Secretary-General*

Adoption of Key Documents

- **Guidelines on Malpractice and Medical Liability**
- **Statement on the Isernia Meeting on Ethics**
- **Declaration on “Commerce and Medical Practice”**
- **Information on “surgical implantation of long-term mechanical circulatory support”**
- **European Training Requirements for Medical Specialties**
 - *Trauma Surgery*

Adoption of Key Documents

- **Creation of a Section in Pharmacology**
- **Creation of an MJC in Breast Care**
- **Financial problems related to the renovation of the UEMS House**
- **Official move of the Address of the UEMS to the “Rue de l’ Industrie 24”**
- **Warming Up Reception on Friday evening**

New Premises European Domus Medica

Brussels, Rue de l' Industrie 24

Outcomes of the last UEMS Council meetings

Warsaw October 2015

*Dr. Bernard Maillet
Head of Delegation for Belgium
Former Secretary-General*

Discussions

- **UEMS Sections and Boards**
- **Long discussions and clarifications about the financial “problems” of the UEMS**
- **The UEMS has a lot of resources**
- **The problem lies in the Cash Flow**
- **Critical issues have been avoided and solutions have been found**

UEMS Finances

- **Large Assets (about 8 Mo €).**
- **Domus Medica Europea values about 4 Mo € today (2 Mo when we bought it)**
- **Accounts of the UEMS Sections in Brussels**
- **Straight Loan has been paid back end of January**
- **Internal Fund amounts 616.140,- €**
- **This internal Fund has helped to solve the cash flow problem**

Adoption of Key Documents

- **Proposal to have a Database for successful candidates examinations & Honorary Diplomas**
- **Update on the Revision of the EU Directive on Professional Qualification Recognition**
- **European Training Requirements for Medical Specialties**

Adoption of Key Documents

- Request from sthe Section of ORL to change the name into “ORL and Head and Neck Surgery”
 - Opposition of some Sections for instance Oral and Maxillofacial Surgery
 - Based on the Rules of Procedure, the names of the Sections should be the same as the name mentioned in Annex 5 of the EU Directive on PQR
 - It is only a recommendation but the UEMS Executive stresses that this has to be in accordance with the Annex as this is an objective reference

Adoption of Key Documents

- Request from the Section of Genetics to change the name into “Genetics and Genomics”
 - Cfr. ENT
- Adoption of some ETR's
 - Plastic Surgery
 - Pediatrics
 - Neurosurgery
 - Manual Therapy
 - Breast Surgery
 - Angiology

Elections of UEMS Executive

President : Romuald Krajewski

Secretary-General : Vasillios Papalois

Treasurer : Bernard Maillet

Liaison Officer : Zlatko Fras

Vice Presidents : Joao Grenho
Hans Helmqvist
Othmar Haas
Marc Hermans

European Training Requirements for Medical Specialties

- Plastic Surgery
- Trauma Surgery
- Angiology
- Breast Surgery
- Manual Medicine
- Orthopedics

Adoption of Key Documents

- Creation of an MJC in Rare and Undiagnosed Diseases
- Request from the Section of Genetics to change the name of the Section into “UEMS Section of Genetics and Genomics”.
 - *Similarly to ENT this was rejected*
 - *It was proposed to lobby to the EU Commission to have changes of names such as for instance change the name of the Section of Physical Medicine and Rehabilitation as the Annex 5 mentions wrongly Physiotherapy*

Outcomes of the last UEMS Council meetings

Brussels April 2016

Dr. Bernard Maillet
UEMS Treasurer

Terroristic Attacks

The meeting was cancelled

Agenda will be discussed at the next Council meeting

Decision to move the Tel Aviv Meeting to April 2017

Approval of the Financial Situation of the UEMS for 2015 had to be given

The Executive decided to have an e-mail procedure in order to approve it

Outcomes of the last UEMS Council meetings

Brussels October 2016

Dr. Bernard Maillet
UEMS Treasurer

Discussions

- UEMS Sections and Boards
- Meeting of the 3 Groupings
 - 3 topics for discussion :
 - Future Structure of the UEMS
 - EACCME
 - Reviewing Committees for ETR
- Plenary Meeting of the Sections

Future Structure of the UEMS

- Until now the UEMS Sections , MJC's and TF's had no real voice in the UEMS
- Chairs of the 3 Groupings will be invited members of the EEC
- Election procedure of the Chairs of the Groupings will be more formal
- Creation of an Advisory Board

Adoption of Key Documents

- Future Structure of the UEMS
- EACCME 2.0
- Terms of Reference for the European Training Requirements Reviewing Committee

EACCME 2.0

- Inclusion of new formats
- Simpler procedures with quality preserved
- Shorter processes
- Extending the system to Allied Health Professions
- Involvement of providers
- Stress on quality control

EACCME 2.0

- **Inclusion of new formats of learning**
 - Live educational events
 - Enduring CME Material
 - Learning by Teaching
 - Reviewing Scientific and Educational Material
 - Publishing Scientific and Educational Material
- **ECM**
 - Online using other media tools
 - CME applications
 - Published Material with CME activity module

EACCME 2.0

Extending the system to Allied Health Professions

- Pharmacists
- Dentists
- Nurses
- Lab Technicians
- ...

EACCME 2.0

Involvement of providers

- **Transparent**
- **Identified persons**
- **Medical practitioner responsible for CME content and activity**
- **Scientific and Organizing Committees**

EACCME 2.0

Trusted Providers

Can be granted :

- Many applications that were compliant
- Will fasten the process
- Quality obviously remains the key
- Scientific and Organizing Committees

Can be revoked

ETR Reviewing Committee

- The European Training Requirements “replace” the so-called Chapter 6’s of the UEMS Charter on Post Graduate Training
- A format has been proposed to set those ETR’s
- In order to check if the procedure was correctly applied an ETR Reviewing Committee will be created

Membership

- Admission of the Bulgarian Medical Association as Full Member
- Admission of the Serbian Medical Chamber as Associate Member
- Admission of the Arab Board of Specialties (Iraq) as Observer Member
- Change in the Member Organization representing Germany : SpiFa will replace GFB

Specialist Issues

Adoption of ETR's

- Internal Medicine
- Neurology
- Pain Medicine
- Laboratory Medicine

CTF

Practice of some parts of Medicine by non medical professions

Statement on the ban of formalin

Working Groups

- e-Health
- CME – CPD
- Post Graduate Training
- Quality of Patient Care and Specialist Practice in Current Health Care systems

Outcomes of the last UEMS Council meetings

Tel Aviv April 2017

Dr. Bernard Maillet
UEMS Treasurer

Changes in the Rules of Procedures of the UEMS

- Until now the UEMS Sections , MJC's and TF's had no real voice in the UEMS
- Chairs of the 3 Groupings will be members of the Enlarged Executive Committee
- Election procedure of the Chairs of the Groupings will be more formal
- Creation of an Advisory Board

Discussions

- Adoption by the UEMS Board of the Financial Report for 2016
- Working Groups :
 - E-Health
 - Post Graduate Training
 - CME-CPD
 - Quality of Health Care

Discussions

- UEMS Sections and Boards
- Meeting of the 3 Groupings
 - 3 topics for discussion :
 - New Rules of Procedures
 - EACCME
 - Reviewing Committees for ETR
- Plenary Meeting of the Sections

European Training Requirements for Medical Specialties

- Nuclear Medicine
- Psychiatry
- Genetics
 - Problem about the reference to a specialty of Genetics and Genomics... amended version with whenever the specialty is meant it would refer to Genetic so only while it it is about the technique it can remain
- Gastro Enterology

Changes in the Rules of Procedures of the UEMS

- Advisory Board will discuss the topics mainly concerning the UEMS Sections the day before Council and gives an advisory position
- For instance in :
 - ETR review
 - Creation of MJC's or Divisions

Constitutional Issues

- **Creation of an MJC in Head and Neck Surgery**
- **Creation of an MJC in Thoracic Oncology**
- **Creation of a Division of Reproductive Medicine**
- **Creation of a Division of Clinical Embryology**
- **Proposal of change of name of the Section of Pharmacology into Clinical Pharmacology**

CESMA

Council for the European Specialist Medical Assessment

- **First meeting in Glasgow in May 2007**
- **Celebrated the 10th Anniversary in Glasgow on May 13th 2017**
- **Was created as CESME (E for Examinations)**
- **Part of ECAMSQ**

CESMA

Council for the European Specialist Medical Assessment

- To promote harmonisation of European Board assessments
- To provide guidelines to the Boards on the conduct of assessments
- To encourage take up of Board assessments as a quality mark
- To offer an alternative to National assessments, where appropriate

CESMA

Council for the European Specialist Medical Assessment

- Yearly two meetings
 - One in a country that would like to have European Exams
 - Winter meeting in Brussels at the DME

CESMA

Council for the European Specialist Medical Assessment

- **32 sections organizing European Exams**

Outcomes of the last UEMS Council meetings

Brussels October 2017

Dr. Bernard Maillet
UEMS Treasurer

Meeting of the UEMS Section and Boards with European Scientific Societies

- Thursday October 19th
- 22 ESS represented
- Discussions about the issues of common interest
 - PGT
 - CME-CPD

COLLABORATION

Meeting of the Groupings

Meeting of the Advisory Board

- Friday October 20th
- Election of the Chairpersons of the Groupings
- The first meeting of the Advisory Board with discussion about the issues concerning Sections at the UEMS Council meeting with indicative vote from the Sections

Meeting of the UEMS Council

- Saturday October 21st
- Specialist Sections issues :
 - European Training Requirements approved:
 - Dermatology and Venerology
 - Orthopaedics (and Traumatology)
 - Clinical Neurophysiology
 - Medical Oncology
 - Phlebology

New UEMS Member & Bodies

- **Conseil National de l' Ordre des Médecins de Tunisie admitted as an Observer Member**
- **MJC in Infection Control**
- **Thematic Federation on Vertigo**
- **Division of Reproductive Medicine in the Section of ObGyn**
- **Board in Pediatric Urology**

FINANCIAL SITUATION COULD NOT BE
ACCREDITED BY THE EXTERNAL
AUDITOR

NEEDS OF CENTRAL FINANCIAL
PLATFORM FOR ALL UEMS BODIES

IMPROVEMENT

- Each UEMS Bodies have now a dedicated bank accounts as part of the UEMS organisation.
- Reminder that all cash transaction needs to be processed through UEMS Bodies official bank account.
- It is fully illegal to hold a separate bank account (non UEMS bank account)
- Flow of financial information needs to improve as email communication reveals to be not efficient enough (time consuming, overlooking information etc.)

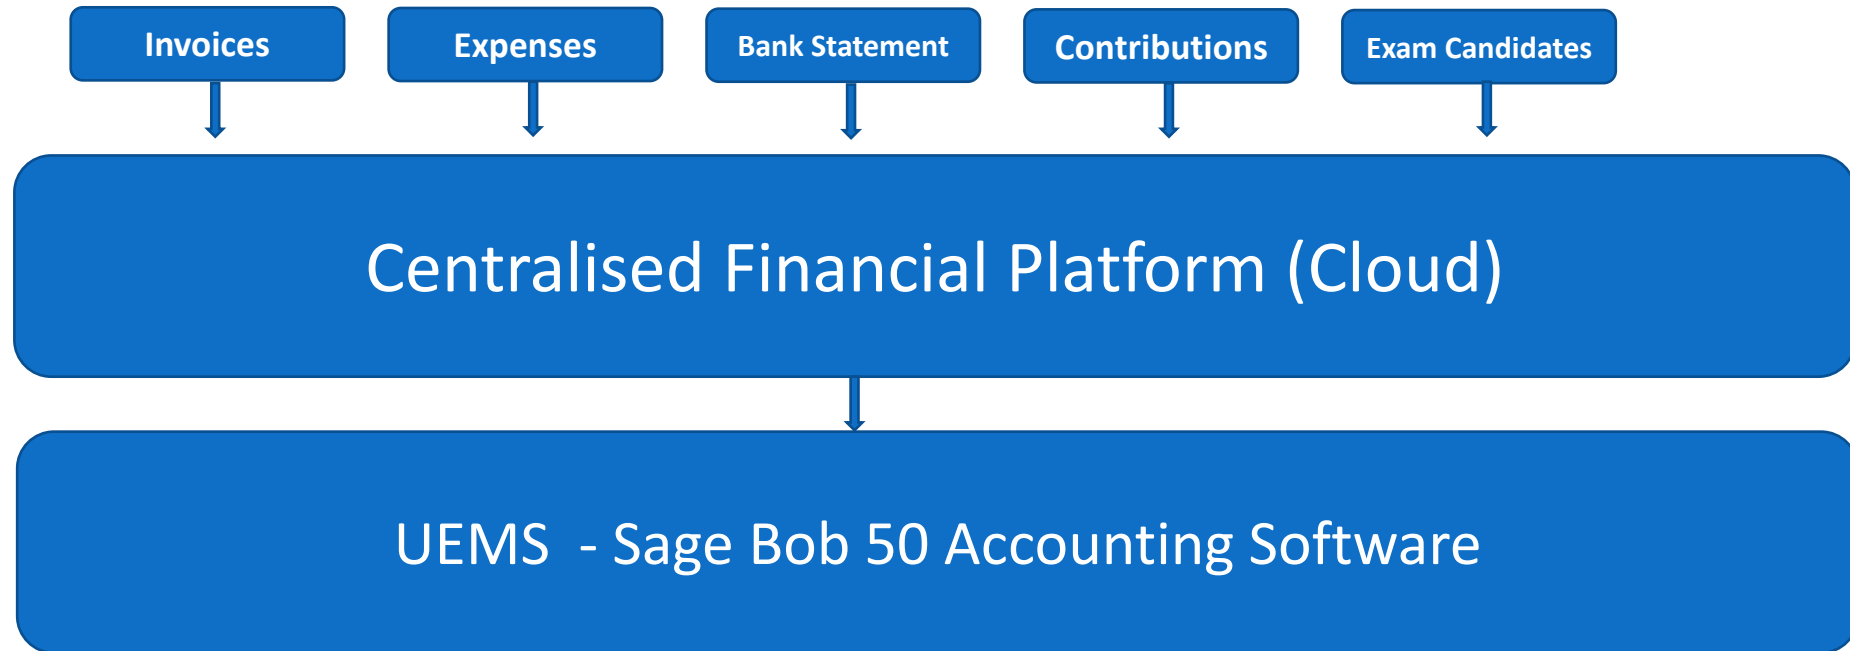

2018 OBJECTIVES

- Improve the workflow between bodies and UEMS Office
- Keep uniform reporting and documentation among all bodies
- Keep history of all transactions (expenses, contributions) on-line
- Each body deals with financial data using the same procedures and templates
- Build bespoke reports for the section while staying completely updated
- Standardizing the process will save time and ensure consistency.
- Financial information available on-line 24/7 for all.

SOLUTION FROM 2018

Centralised Financial Platform in one place through a webpage where incoming and outgoing Financial documents will be uploaded.

The Cost of the Central Accounting Platform will be shared by the entire UEMS Bodies
