COOPERATION AND PRACTICAL ISSUES

This agreement outlines the principles of cooperation in CME (Continuous Medical Education) accreditation between the UEMS / EACCME (European Union of Medical Specialists/European Accreditation Council for Continuing Medical Education) and EBAP (European Board for Accreditation in Pneumology) regarding live events.

It consists of two parts:
  - a short summary of cooperation principles,
  - and practical issues concerning the UEMS / EACCME and EBAP day-to-day and communication procedures.
3 members from European Respiratory Society

3 members from the Federation of European Respiratory societies

1 member from UEMS section normally the president or the secretary
This agreement outlines the principles of cooperation and collaboration between the UEMS (European Union of Medical Specialists) Pneumology and ERS (European Respiratory Society).
Hermes European Board exam to be recognised by UEMS – application to be put forward by pneumology section to UEMS council

Hermes Curriculum for adult respiratory Medicine to be recognised by UEMS - application to be put forward by pneumology section to UEMS council

UEMS pneumology section to be formally represented on Hermes examination board and Hermes Curriculum board

Pneumology section to be the formal link to CESMA – central organisation for European board exams

Pneumology section will remain as per UEMS statute the formal interlocutor With central UEMS structures
“So far so good. Let’s hope we win.”
