NH Collection Barbizon Palace *****

Prins Hendrikkade, 59-72

1012 AD Amsterdam

The Netherlands

The 5-star NH Collection Amsterdam Barbizon Palace hotel is a unique piece of history, converted from several 17th century town houses and a 15th century chapel. Its rooms and lobbies evoke the romance of the past, with wooden beams and pointed ceilings. In the very heart of Amsterdam's old quarter, the city's key attractions and the Central Station are around the corner. The 274 bright, contemporary rooms are spread across six floors, many with a view over the city.
