Winter in Stockholm...

Welcome to the 5'th NASCE Scientific meeting 26-27 sept 2019

- Stockholm, Sweden
- Venue: Karolinska Campus Flemingsberg
- Host: CAMST

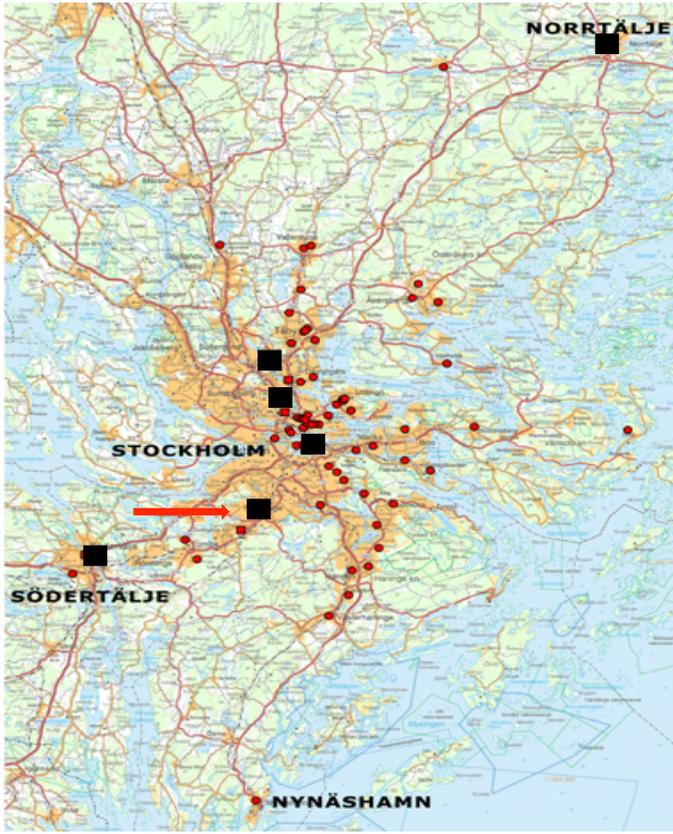

CAMST
Simulatorcentrum

**Karolinska
Institutet**

KAROLINSKA
Universitetssjukhuset

Four main campuses in Stockholm

Danderyd Hospital

KI Campus Solna
and Karolinska University
Hospital, Solna

Stockholm South
General Hospital

KI Campus Huddinge
and Karolinska University
Hospital, Huddinge

FLEMINGSBERG

Grantorp • Visättra • Bussar →

KAROLINSKA
Universitetssjukhuset

**Karolinska
Institutet**

**södertörns
högskola**
UNIVERSITY COLLEGE

A brief history – Karolinska Institutet 200 years 2010

- From a school of army surgeons to a medical university
- War and cholera led to the royal decree to establish a "college for the corps of field surgeons" in 1810

200
1810 – 2010 *AI*

Inauguration of the **Center for Advanced Medical Simulation and Training (CAMST)** on March 20, 2002 by the Head of the Department of Health and Welfare (Kerstin Wigzell) and the Mayor of Stockholm County Mats Hellström

Vision and goal

To implement a new safety culture in healthcare by implementing systematic simulation as training method

Validation and research

Updated training for today's and tomorrow's health care professionals

CAMST
Simulatorcentrum

**Karolinska
Institutet**

KAROLINSKA
Universitetssjukhuset

Program in preparation

Key note 1: "CRM when pilots help doctors"

- Dr Nanni Allington, MD
- President of UEMS section of Orthopaedics and Traumatology
- Pilot, MD and senior consultant in Orthopaedics
- Liège, Belgium

Key Note 2

”Dream teams are made, not born: How to become a high performing team”

- Professor Tanja Manser, PhD
- Director of the School of Applied Psychology at the University of Applied Sciences and Arts Northwestern Switzerland, Olten

Key Note 3

“Artificial intelligence machines as team members in clinical decision-making – is it feasible?”

- Professor of ergonomics Mats Ericson PhD
- Royal Institute of Technology, KTH, Stockholm, Sweden
- Former Vice Chancellor of The Swedish Defence University
- Former Vice Chancellor of the Swedish School of Sport and Health Sciences

SimIPL "Learning together: Interprofessional simulation in health care"

- Professor Madeleine Abrandt Dahlgren, PhD, PT
- Linköping University, Sweden
- Editor of "**Learning together: Interprofessional simulation in health care**" (upcoming on Springer)

Interprofessional learning in simulation-based training for the healthcare professions

CONTACT

Project leader Professor Madeleine Abrandt Dahlgren

madeleine.abrandt.dahlgren@liu.se
 Dept of Medicine and Health
 Faculty of Health Sciences
 Linköping University
 SE-58183 Linköping
 Sweden

More information about Medical Education, Linköping University.

More information about The Centre for Advanced Medical Simulation and training, Karolinska institutet.

More information about The University of Gothenburg Learning and Media Technology Studio.

Research funded by:

Vetenskapsrådet

Swedish Research Council, Educational Sciences,
 Project ID C0545001

Selection to surgical training in a decentralized setting

- Kristine Hagelsteen, MD, PhD
- Lund University and Skåne University Hospital, Sweden

Workshops

- Cognitive ergonomy
- Selection of residents

Free papers/posters

Training today's and tomorrow's health care staff

Welcome to Stockholm in September 2019!
