UEMS Motion on the Directive on the recognition of professional qualifications (2005/36/EC)

On the occasion of its meeting in Brussels on 18th March 2006, the Council of UEMS unanimously adopted the following motion:

“The UEMS advocates the involvement of the whole medical profession in any consultative bodies established under the Recognition of Professional Qualifications Directive through a cooperative structure involving AEMH, CPME, EANA, EMSA, FEMS, PWG, UEMO and UEMS.”
